# Hifield - Ag Chem. India Private Limited

We manufacture and supply a varied range of agrochemicals, acids and plant growth regulators. Recently we have diversified into production of insecticides, fungicides and pesticides. Our range is valued for high quality and great performance.

# Profile

Our organization, **Hifield- AG Chem India Private Limited.**, incepted in the year **1994**, with brilliant array of **Agrochemicals** and **Acids**. Such as **Seaweed Extract Powder, Gibberellic Acid Powder, Folic Acid Powder, Fulvic Acid Powder, Super Potassium Humate Flakes, Humic Acid Shiny Balls, Humic & Amino Acid Uniform Balls and Potassium Humate Powder**. Today, after seventeen years we are considered pioneers in the field. We are leveraged by a highly qualified and experienced research team. The research work has resulted stunning formulations that have given rise to greener fields and opulent fruit and vegetable yields.

The high quality parameters that we follow and the depth of knowledge we have of the industry have put our product range in the top league. Plant growth regulators and soil enhancing acids have made arable lands lush green and fruit, vegetable and flowering plants heavy with growth. Our range is ushering a green revolution. Some of the acids that we formulate have been there for millennium. For example, Fulvic Acid that is one of the most highly sought after substance from our unit is as old as the earth that they are supposed to fertilize. Its antecedence goes back to 75 years millions back when the earth's crust was being formed. We are passionate about what we do. We have two factories located in **Aurangabad and Beed** for the formulations of our chemicals and acids. Our association with farmers, research institutes and agro technicians keep us in the loop about the latest development in the domain. We are leveraged by our association with efficient network of dealers and distributors for speedy delivery and swift logistics.

Under the motivational guidance of our mentor, **Mr. Darak Bhagatsing**, who is a Director in our **Aurangabad, Maharashtra (India)** based organization we have created a benchmark with our outstanding performance.

## SEAWEED EXTRACTS

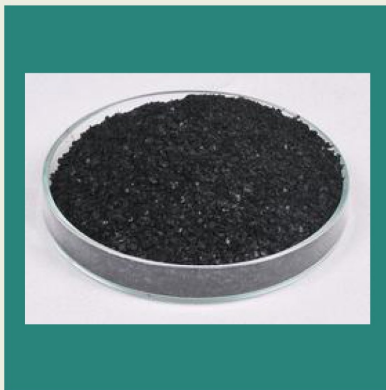

We manufacture and supply a varied range of Seaweed Extracts. Our range is valued for high quality and great performance. Our 100% organic and natural Seaweed Products will give your garden, crops, livestock all the sustenance needed to be the healthiest and most productive ever and in the most natural way.

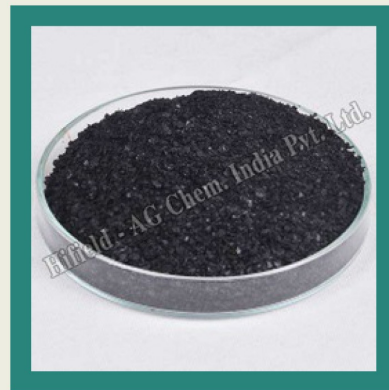

Seaweed Extract Powder

Organic Seaweed Extract Powder

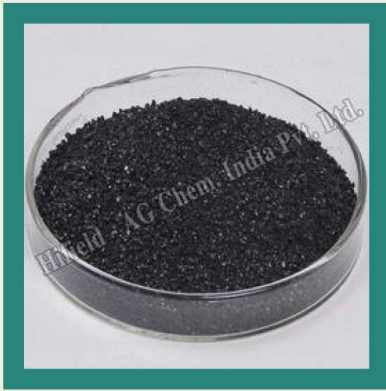

Seaweed Extract Flakes

Seaweed Flakes

## SUPER POTASSIUM HUMATE

We manufacture and supply a varied range of Super Potassium Humate 95% Flakes. Our range is valued for high quality and great performance. Potassium humate flakes encourages the release of enzymes of plants and also increases growth of desirable yeast, algae and other micro-organisms.

Super Potassium Humate Flakes

Super Potassium Fulvic Humate(Flakes-Type 2)

Super Potassium Humate 98%

Potassium Humate 90% Crystal

## AMINO ACID

We are offering wide range of Amino Acids. These are Amino Acid is said to be the building block of proteins. Extensively used by agricultural industries to give a boost to the overall agricultural productivity. Plants absorb amino acids through stomas which are one of the fundamental ingredients in the process of Protein Synthesis.

Amino Acid

Amino Acid 80%  
(Soyabean Based)

Amino Acid 50%

## FULVIC ACID

We manufacture and supply a varied range of Fulvic Acid. Our range is valued for high quality and great performance. These wide range of chemicals have been indigenously developed to suit the requirements across industry verticals.

Fulvic Acid Powder

Fulvic Acid 80%

Fulvic Acid Potassium

## HUMIC ACID SHINY BALLS

We manufacture and supply a varied range of Humic Acid 60% Shiny Balls. Our range is valued for high quality and great performance. It also enhances the growth of hairy white roots rapidly. In addition to these, acid makes crop hard and sturdy by improving crop resistance in adverse conditions.

Humic Acid 60% Shiny  
Balls

Humic Acid 50% Powder

Humic Acid Powder

## PLANT GROWTH REGULATOR

Offering you a complete choice of products which include Plant Growth Regulator such as Veg PGR, Fruit PGR (DA-6), Soy PGR and Recover Fertilizer.

Veg PGR

Fruit PGR (DA-6)

Soy PGR

Recover Fertilizer

## OTHER PRODUCTS:

Potassium Humate Shiny Bullets & Granules

Gibberellic Acid Powder

Gibrax Phytozyme ( Gibberellic Acid 0.001% L )

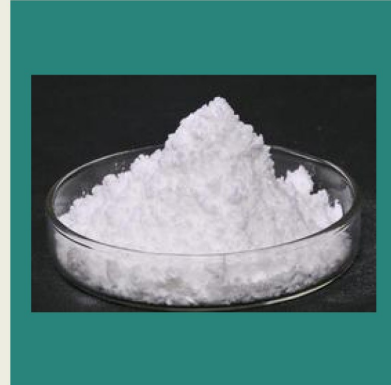

Folic Acid Powder

**OTHER PRODUCTS:**

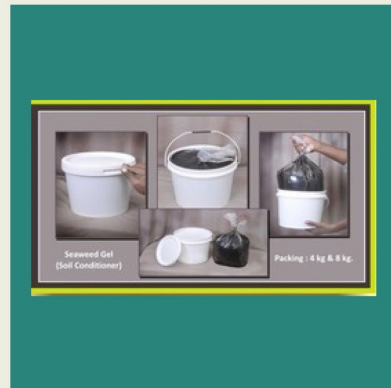

N-6-Benzyl Adenine Tech Powder

6-BA ( Cytokinin)

Humic & Amino Acid Uniform Balls

Seaweed SC Gel ( Soil Conditioner )

# Factsheet

Year of Establishment : 1994

---

Nature of Business : Manufacturer, Supplier

---

Total Number of Employees : 51 to 100 People

---

Primary Competitive Advantage : Experienced R & D Department  
Large Production Capacity  
Good Financial Position & TQM

---
